Do your teachers need CTLE hours?

Do your teachers want to spend more time teaching and less time dealing with behaviors?

Do you want a partner who can customize trainings for your staff?

SATRI IS YOUR ANSWER.

The Sidney Albert Training & Research Institute (SATRI) team collaborates with businesses, human services agencies, school districts, and institutes of higher learning to provide professional development courses to professionals, community members, children, adults, and families.

Our trainers are bachelor's- and master's-level professionals with more than 100 combined years of hands-on and clinical experience working with at-risk children and families. Their diverse backgrounds and skills lend a real-world personalized component to the courses.

We are NYSED-approved for continuing education hours toward CTLE and for LMSW, LCSW, and LMHC recertification. We offer affordable customized training workshops tailored to the specific interests and challenges of your school district.

Customized topics

- Aggressive Juvenile Sexual Behavior
- Building a Positive Classroom Environment

- Understanding Domestic Violence

Therapeutic Response

Duration: 14–16 hours

A behavioral de-escalation and early intervention program customized specifically to the needs of school districts. This program is designed to assist the broad array of personnel dedicated to teaching children and youth. Course includes certification in Handle with Care physical restraint techniques.

Therapeutic Response Recertification

Duration: 4 hours

An update in physical and verbal interventions, this session allows staff to maintain certification in physical intervention techniques, as well as provides a solid foundation with supervised practice in de-escalation skills. To maintain certification, staff must be re certified every year.
