

Founded in 1979, Unlimited Potential helps people with psychiatric illnesses regain confidence and find meaningful work.

The Unlimited Potential Work Center, an 18,000-square-foot building in Saratoga Springs, provides training in life and employment skills. With a fully functional woodshop and business service facility, our center offers individuals job opportunities that boost self-esteem, encourage independence, and facilitate community participation.

BUSINESS FULFILLMENT SERVICES

ASSEMBLY

In Unlimited Potential's assembly operation, everything else happens. From shrink-wrapping to fulfillment work to low-cost copying to labeling to actual assembly, if your business has some tasks that need to be completed on time and at cost, Unlimited Potential's assembly operation can help.

FULFILLMENT SERVICES

Unlimited Potential recently added fulfillment or "pick-and-pack" services to our capabilities. We will store your products and track your inventory. As you receive orders from customers, we will pack and ship those orders for you, allowing your staff the freedom to help your business grow. This can be a truly "fulfilling" service for you and for our people.

BULK MAILING

We want to be your bulk mailing experts.

- Save up to \$.06 in postage for each mailing piece by taking advantage of presort discounts
- Save \$100 annually in postal permit fees
- Save \$100 for postal permit application fee
- Save valuable staff time in bulk mail processing

**From start to finish —
Unlimited Potential does it all**

Whatever your bulk mailing needs – from letter mailing to monthly billing statements or new product samples – you can depend on Unlimited Potential for fast, convenient, professional service. We are bulk mailing specialists, dedicated to timely, efficient mail processing and reducing your costs whenever possible.

For example, we can save you in postage on mail that qualifies for presort rates by ZIP Code sorting your standard mail. In addition, your mail can be barcoded for even greater savings.

WOODSHOP

Providing interesting and creative work is our challenge.

Our woodworking shop enables clients to develop practical skills – and provides you with a whole catalog of high-quality products for use in private homes, camps, recreational settings, and business environments.

All products are designed to withstand heavy use, making them ideal for public facilities as well as family settings. Made of high-quality kiln-dried pine or pressure treated wood, our furniture is beautiful, functional, and durable.

We have a full range of products including picnic tables, Adirondack chairs, window boxes, bluebird houses, shrub covers, road barriers, picket fencing, and other products for homes and businesses.
